FIFA WORLD CUP
(Al Janoub Stadium)

HAPPENINGS

Well Being Through Expressive Arts This workshop was organised at KW, BW, HW and HO, to help employees reduce stress levels.

Sangmisran Our SAP warriors were felicitated at a function held in Chennai.

MONTHLY HIGHLIGHTS

FIFA World Cup We supplied Ductile Iron Pipes and Fittings to the Ras Abu Aboud Stadium (pic above), Al Janoub Stadium and many more prestigious projects in Qatar, where the FIFA World Cup is being held.

France Our DI Pipes and Fittings exported to Burkina Faso are recognized by the Société Générale Bank as sustainable and socially responsible.

CSR AND US

Health Check Up BW organised this camp, wherein various tests like height, weight, pressure, oxygen saturation level, blood test etc were conducted.

Eye Testing Our HW organised an eye-camp for our employees at the Plant.

WE, THE PEOPLE

Children's Day celebrations:

We celebrated Children's Day across all our Plants. Drawing and painting competitions, songs, dances and plays were held amidst much joy and excitement.
