HAPPENINGS

Mother's Day Celebrations

Mother's Day was celebrated across our locations. In our KW, a contest was organised wherein the employee's children spoke on the topic - "My Mother". The best 3 from amongst them were given prizes. In HW, children of our employees recited poems to honour their mother and handed over a red rose to them.

MONTHLY HIGHLIGHTS

Recycling Bitumen Paint Spillage:

In SW, the Bitumen paint spillage particles are re-used. By adding a few additives, it is converted back into paint form and is used for patch up work. Kudos to SW!!

CSR AND US

Helping Hand: KW organised a cultural programme with "RODDHA", a local NGO, who works for people in distress.

Job Fair: BW participated in the ITI Hooghly Apprenticeship Mela and Job Fair recently

Computer Literacy Classes: SW organised these classes at Z.P.High School Thondamanadu, with an aim to improving computer literacy

Georgia Conference: Our USA office participated in the annual Georgia Rural Water Association's spring conference.

Exhibition in Lille: Our France office participated in a water professional exhibition in Lille (a city in the north of France).

WE, THE PEOPLE

Food Festival: Our SW hosted a wonderful employee engagement programme - HAVE A MEAL WITH ZEAL. Here, a special buffet was laid out for all the workmen and staff and bonds were strengthened over food.

Health Insurance: HW organised a camp wherein representatives of the Insurance Agency briefed our employees on the procedures required for claiming health insurance.
