#### Basis of Qualified Opinion

Attention is drawn to the following notes of the accompanying standalone financial results:

- (a) Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. Further the Land of Elavur plant of the Company which is mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken in the earlier years, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

*Impacts with respect to (a) & (b) above are presently not ascertainable and as such cannot be commented upon by us.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SA are further described in the *Auditor's Responsibilities for the Audit of Standalone Annual Financial Results* section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion on the standalone annual financial results.

**Management's and Board of Directors' Responsibilities of the Standalone Annual Financial Results**

These standalone annual results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The company's management and the Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of standalone financial statements whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the standalone financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

#### Other Matters

- a) The standalone annual financial results include the results for the quarter ended 31<sup>st</sup> March, 2022 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us as required under the listing regulations.
- b) We draw attention to Note 8 of the accompanying financial results in respect of the Scheme of Arrangement of Srikalahasthi Pipes Limited (SPL) with the Company as approved by the Hon'ble National Company Law Tribunal, Cuttack Bench, wherein the financial information has been restated from the appointed date in line with guidance of General Circular No. 09/2019 dated August 21, 2019 as issued by Ministry of Company Affairs and not from the beginning of the earliest date presented as required in accordance with guidelines of Appendix C of Ind AS 103.

**Notes:**

1. The above standalone financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular dated July 5, 2016, have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 10, 2022. These results have been subjected to Audit by the Statutory Auditors.
2. The Company operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The Company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 3453.33 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The company also understand that the SAIL has handed over back the said coal block to the custody of BCCL. The Ministry of Coal has once again put up the Parbatpur Coal Block in the list of mines to be auctioned (for commercial mining) and the auction is likely to be concluded soon subject to receiving adequate qualified bids.

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated Authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority had appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019. Based on the valuation report submitted to the Nominated Authority, the valuer had recommended a valuation based on total direct / hard cost, for such specified assets, which is under consideration of the Nominated Authority and a final compensation has not been declared as yet. The company has also approached the newly appointed Nominated Authority/ Ministry of Coal to similarly reconsider the compensation determined by the previous Nominated Authority, for land and some other major assets, which is pending at the Ministry. Meanwhile the Company is also exploring other possibilities.

Pending finalisation of the matter as above:

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and

The merger has been accounted for on the basis of Pooling of Interest method by merging the assets and liabilities at their book values appearing in the books of SPL as at the opening of the Appointed Date. Further in view of merger of SPL with effect from October 1, 2020, the results for the year ended March 31, 2022 are not strictly comparable with the comparative year's result. The difference between the current reported numbers in the results with the previously reported numbers for the quarter and year end March 31, 2021 are solely on account of inclusion of SPL results for the respective quarter/year.

Sub Para (a) – In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The company also understand that the SAIL has handed over back the said coal block to the custody of BCCL. The Ministry of Coal has once again put up the Parbatpur Coal Block in the list of mines to be auctioned (for commercial mining) and the auction is likely to be concluded soon subject to receiving adequate qualified bids.

The company has also approached the newly appointed Nominated Authority/ Ministry of Coal to similarly reconsider the compensation determined by the previous Nominated Authority, for land and some other major assets, which is pending at the Ministry. Meanwhile the Company is also exploring other possibilities.

*Impacts with respect to (a) & (b) above are presently not ascertainable and as such cannot be commented upon by us*

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated annual financial results.

## Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Parent Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Parent Company, as aforesaid.

In preparing the consolidated annual financial results, the Management and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Company's Management and the Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

#### **Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated annual financial statements on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Parent Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

The above consolidated financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), have been reviewed by the the Audit Committee and approved by the Board of Directors at their meeting held on May 10, 2022. These consolidated results have been subjected to Audit by the Statutory Auditors of the group.
2. The group operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The parent company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the parent company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 3453.33 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the parent Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the parent Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The parent company also understand that the SAIL has handed over back the said coal block to the custody of BCCL. The Ministry of Coal has once again put up the Parbatpur Coal Block in the list of mines to be auctioned (for commercial mining) and the auction is likely to be concluded soon subject to receiving adequate qualified bids.

Following a petition filed by the parent Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the parent Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the parent Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated Authority to reconsider. The Nominated Authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority had appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019. Based on the valuation report submitted to the Nominated Authority, the valuer had recommended a valuation based on total direct / hard cost, for such specified assets, which is under consideration of the Nominated Authority and a final compensation has not been declared as yet. The parent company has also approached the newly appointed Nominated Authority/ Ministry of Coal to similarly reconsider the compensation determined by the previous Nominated Authority, for land and some other major assets, which is pending at the Ministry. Meanwhile the parent Company is also exploring other possibilities.
