

QUALITY POLICY

- ❖ We are committed to provide goods and services, which meet customers' expectations and needs.
- ❖ Our aim is to achieve 'Quality Right the First Time'.
- ❖ We are committed to comply with the requirements and continually improve the effectiveness of Quality Management System through teamwork, training and motivation.
- ❖ We shall formulate quality objectives for all functions and involve employees in fulfilment of the same.
- ❖ The Quality policy and the quality objectives will be reviewed for continuing suitability.
