

ELECTROSTEEL

SOCIALSTEEL

The two highlights of June, for the #ElectrosteelGroup was wishing Happy Father's Day to our Founder Shri Ghanshyam Ji Kejriwal, and - as if on cue - the re-opening of #ElectrosteelCastingsLtd and #SrikalahasthiPipesLtd plants after the Corona-induced Lockdown.

We also celebrated 'International Girls in Information & Communication Technology Day' at a college we support, and showed some extra love to our home (and office) gardens on World Environment Day. June was also an opportunity to keep supporting the lesser privileged.

And finally, don't miss Badal Das of #ElectrosteelCastingsLtd (bottom right), who was inspired to start running by a 63-year-old former colleague, SP Roy. It's all in the family!
