Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors,
Electrosteel Castings Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Electrosteel Castings Limited** ("the Company") for the Quarter ended December 31, 2019 and year to date from April 01, 2019 to December 31, 2019 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations") read with SEBI Circular No. CIR/CFD/CMDI /44/2019 dated March 29, 2019 ('the Circular').
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors in their meeting held on February 13, 2020, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133, of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the following notes of the accompanying results:
 - a) Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.
 - b) Note No. 6 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble Calcutta High Court. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken during the quarter ended June 30, 2019, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

- c) Note no. 7 in respect to carry forward of assets amounting to Rs. 4096.46 Lakhs at existing carrying value instead of lower of its carrying amount & fair value for the reasons stated in the note. The impact and consequential adjustment thereof are not presently ascertainable.
 - d) *Impacts with respect to (a), (b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.*
5. Based on our review conducted as stated above, we report that, *excepting the possible effect of the matters stated above*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards as prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material mis-statement.

Notes:

1. The above financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular dated July 5, 2016, have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on February 13, 2020. The above results have been subjected to Limited Review by the Statutory Auditors.
2. The Company operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The Company filed a writ petition before the Hon'ble High Court of Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs.4500.94 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the Ministry of Coal to reconsider the compensation determined by the Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. thereagainst as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The Company barring initial contribution of Rs. 822.81 lakhs and Company's share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court of Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture Company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary.
6. In view of non availability of fair value of shares of Electrosteel Steels Limited (ESL) due to its delisting, the Company has continued to consider the exit price as the basis of valuation of Investment in ESL, which was open till December 20, 2019. Further the notices issued by the consortium of lenders of ESL for invocation of pledge of company's investment of 17334999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs was set aside by the Hon'ble High Court of Calcutta. The plea of the company for release of the pledge is pending before the Hon'ble Court. Furthermore during the previous periods the party, in whose favour rights of mortgage of certain Land & Building amounting to Rs. 29558.70 lakhs of the Company situated at Elavur, Tamilnadu, were assigned by a lender of the ESL, has taken the symbolic possession of said mortgaged property and the same was contested by the Company before Madras High Court. On disposal of Company's application by the Hon'ble High Court, the Company has preferred an appeal before Commercial Appellate, Hon'ble High Court Madras and the matter is subjudice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7. Capital work in progress and Security deposits includes a sum of Rs. 4066.42 lakhs and Rs. 30.04 lakhs respectively towards amount incurred for construction of railway siding in Haldia, West Bengal . The railway authorities had withdrawn the permission for the railway siding. On the petition filed by the company, the Hon'ble High Court at Calcutta had appointed an arbitrator to adjudicate the matter and based on the advise of the arbitrator, the company has filed its claim for compensation against which the railways has also filed their counter claim. Pending finalization of the matter , these assets have been carried forward at their existing carrying cost. The management expects to recover the entire cost incurred for the above railway siding.
8. Section 115BAA of the Income Tax 1961 has been introduced by the Taxation Laws (Amendment) Ordinance 2019 on September 20, 2019 and the same is effective from April 01, 2019. The section provides with an option to opt for lower rate of Corporate Income Tax Rate subject to certain conditions. The Company is in the process of assessing the impact of above section and hence the income tax rates as applicable for existing tax regime have been considered for these results.
9. Effective from April 1, 2019, the Company has adopted IND AS 116 "Leases" and applied the same to lease contracts existing on April 1, 2019 by using modified retrospective approach. By application of the standard the "Right of Use" (ROU) has been created with corresponding Lease Liability with due adjustment. The impact of application of IND AS 116 on the statement of Profit and Loss is not significant on the quarter and nine month ended December 31, 2019. Comparatives for previous quarter/period have not been retrospectively adjusted.
10. Previous periods' figures have been regrouped/rearranged wherever necessary.

Notes:

1. The above consolidated financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on February 13, 2020. The consolidated results for the quarter and nine month ended December 31, 2019 have been subjected to Limited Review by the Statutory Auditors of the group.
2. The group operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The parent company filed a writ petition before the Hon'ble High Court of Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the parent company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs.4500.94 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the Ministry of Coal to reconsider the compensation determined by the Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the parent company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The parent Company barring initial contribution of Rs. 822.81 lakhs and its share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court of Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture Company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary. In view of the provision made during the quarter ended March 19, the performance of the joint venture company has not been consolidated during the quarter and nine month ended December 19.
6. In view of non availability of fair value of shares of Electrosteel Steels Limited (ESL) due to its delisting, the group has continued to consider the exit price as the basis of valuation of Investment in ESL, which was open till December 20, 2019. Further the notices issued by the consortium of lenders of ESL for invocation of pledge of group's investment of 17334999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs was set aside by the Hon'ble High Court of Calcutta. The plea of the parent company for release of the pledge is pending before the Hon'ble Court. Furthermore during the previous periods the party, in whose favour rights of mortgage of certain Land & Building amounting to Rs. 29558.70 lakhs of the parent Company situated at Elavur, Tamilnadu, were assigned by a lender of the ESL, has taken the symbolic possession of said mortgaged property and the same was contested by the Company before Madras High Court. On disposal of Company's application by the Hon'ble High Court, the Company has preferred an appeal before Commercial Appellate, Hon'ble High Court Madras and the matter is subjudice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7. Capital work in progress and Security deposits includes a sum of Rs. 4066.42 lakhs and Rs. 30.04 lakhs respectively towards amount incurred towards construction of railway siding in Haldia, West Bengal. The railway authorities had withdrawn permission for the railway siding . On the petition filed by the parent company, the Hon'ble High Court at Calcutta has appointed an arbitrator to adjudicate the matter and advised the parent company to file its claim for compensation against which the railways has also filed their counter claim. Pending finalization of the matter these assets have been carried forward at their existing carrying cost. The management expects to recover the entire cost incurred for the above railway siding.
8. Section 115BAA of the Income Tax 1961 has been introduced by the Taxation Laws (Amendment) Ordinance 2019 on September 20, 2019 and the same is effective from April 01, 2019 for Companies incorporated in India. The section provides with an option to opt for lower rate of Corporate Income Tax Rate subject to certain conditions. The parent company is in the process of assessing the impact of above section and hence the income tax rates as applicable for existing tax regime have been considered for these results.
9. Effective from April 1, 2019, the group has adopted IND AS 116 "Leases" and applied the same to lease contracts existing on April 1, 2019 by using modified retrospective approach. By application of the standard the "Right of Use (ROU)" has been created with corresponding Lease Liability with due adjustment. The impact of application of IND AS 116 on the statement of Profit and Loss is not significant on the quarter and nine month ended December 31, 2019. Comparatives for previous quarter/period have not been retrospectively adjusted.
10. The parent company has investment of Rs. 730.00 lakhs (including advance of Rs. 700.00 lakhs) in Domco Private Limited (DPL), and has joint control (proportion of ownership interest of the parent company being 50%). The other Venturers had filed a petition before the Company Law Board, Principal Bench, New Delhi (CLB) on various matters including for forfeiture of the parent company's investment in equity shares of the DPL. The parent company had also inter alia filed an arbitration proceeding under Arbitration & Conciliation Act, 1996 against recovery of the said amount against which the ventures also filed their counter claims on the parent Company. The matter is sub judice before the NCLT. Pending final outcome of the above matter, the amounts in equity shares and advance have been fully provided for in the financial statements. The other venturers since not providing the financial statements of DPL, and thereby necessary disclosures could not be provided in these financial results.
11. Previous periods' figures have been regrouped/rearranged wherever necessary.
