HAPPENINGS

World Environment Day was celebrated across all our Plants. Saplings were planted, plays and art competitions around the environment were held and awards were distributed.

CII Meeting Ms. Priya Manjari Todi, met with Shri. Neerabh Kumar Prasad, Special Chief Secretary, Government of AP, amongst others, at this meeting.

MONTHLY HIGHLIGHTS

Sanghmishran: BW provided 1 full truck load of Epoxy Blue Paint to SW. This is a true milestone in cross locational alignments. (Sanghmishran in the truest sense).

Highest Dispatch Our BW and KW together dispatched the highest number of 40 ft containers in May - 201 from BW and 219 from KW. Total 420 containers.

Exhibitions: Our France office participated in the AquaPro exhibition in Bulle, Switzerland, while our US office participated in ACE 2022 in San Antonio, Texas.

CSR AND US

Beat the Heat Our KW has set up 4 kiosks which distributes cold water and chick peas to pedestrians. A cool way to provide relief during summer.

Sapling Distribution BW organised a programme of sapling distribution through Saptagram Gram Panchayat, as a prelude to World Environment Day.

WE, THE PEOPLE

Father's Day HW Staff Club arranged a get together of all Father's and their families on this occasion.

Drawing Competition On the occasion of World Environment Day, KW organised a drawing competition for the children of its staff members.

Yoga Day On the eve of International Yoga Day, BW organised a session for its staff members.
