

Electrosteel Group Wins ET 'Iconic Brands of India 2023' Award

Electrosteel Castings Ltd has been conferred the 'Iconic Brands of India 2023' Award, by ET Edge, an Economic Times/Times Group initiative at an event held in Mumbai last month. We are honoured to be recognized as an iconic brand; this reflects our commitment to improving the lives of people in 110-plus countries worldwide, through constant innovations in water technology. This award is also an affirmation of the core values established by our founder Shri Ghanshyam Ji Kejriwal, the 'Bada Sahab' of our hearts. This award is a recognition of Electrosteel's commitment to providing innovative and sustainable water solutions for humanity. Our water ductile iron pipes are supplied globally, and we are proud to play a role in helping communities around the world access clean and safe water. Our globally supplied ductile iron pipes for water distribution have played a pivotal role in enabling communities across the globe to access clean and safe water.

We thank the Economic Times for this prestigious award and thank the Electrosteel management and the Kejriwal family for their vision and leadership. We are honored to be recognized for our commitment to Electrosteel's guiding principles of transparency, shareholder value, customer centricity, respect for people, community development, leadership, environment, and teamwork. The recognition is the outcome of hard work and dedication of ECL employees, our promoters and our valued customers In India and over 110 countries for their continued support. We are committed to continuing to innovate and develop new water solutions that help to improve the lives of people around the world.

The trophy was received on behalf of Electrosteel by Mr. Upendra Borate, Senior GM, Western Division and Mr. Krishnakant Purohit, DGM Marketing, from Mr Ambi Parameswaran, Brand Strategist and Mr. Ashwani M., Editor-Technology of ET Edge, in Mumbai on 25th September 2023.
