**REPUBLIC DAY
AT ECL**

HAPPENINGS

Across all our Plants and HO, the New Year was heralded in by cutting cakes.

Our France team celebrated Epiphany Day. In ancient times, on this day, the rulers suspended their rule over their subjects. They would give each other gifts and share meals together. As per the tradition, cakes were made with a figurine hidden inside - whoever found it was designated the king of the day!

MONTHLY HIGHLIGHTS

Anniversary celebrations: The Ferro Division of SW celebrated its 3rd anniversary recently.

Workers Day: was observed at KW. Workers, staff and eminent persons were invited to the program.

CSR AND US

Spreading Happiness: Our KW visited the Orphanage "Bachpan" and distributed food packets amongst the children.

Blanket Distribution: KW distributed blankets along with the Truckers Welfare Association.

Sapling Plantation: Joining hands with the Forest department, our EW planted 1100 saplings.

WE, THE PEOPLE

Ms Subhomita (D/o Subhendu Banerjee) was invited to participate in a Painting Exhibition in Sodepur. Children from all over India and Bangladesh participated in this.

Picnic Time Picnics were arranged for families across Plants. Games, food, and gaiety were the order of the day.
