

## Bengal Global Business Summit 2023

Electrosteel is proud to be invited to the Bengal Global Business Summit 2023, a flagship summit of the Government of West Bengal on 21-22 November 2023. The summit envisions bringing together corporate leaders, business delegations, entrepreneurs, academia, and think tanks from around the globe to make strategic and business alliances as well as to learn about the industrial ecosystem and business-friendly initiatives. Dignitaries from Electrosteel participated in this prestigious event as Electrosteel is a global leader in water infrastructure solutions, an organisation fostering collaboration and innovation to address the world's water challenges.

## HAPPENINGS

### Electrosteel celebrated children's month

Electrosteel commemorated Children's Day not with just a single day of festivities but by dedicating the entire month of November. Electrosteel conducted a series of mental health training/awareness workshops for employees' children, across multiple locations. The workshops were conducted with a lot of spectacle filled, engaging and fun-filled activities like songs, dance, drawing and painting, fancy dress, games, and much more. Gifts and school bags were distributed. Employee well-being is a top priority across all Electrosteel workplaces, in the 110-plus countries we are present in. We can't wait for the children to come back next year!

### Electrosteel France participated in the marathon for a cause

Congratulations to the athletes of the Electrosteel France team who successfully rose to the challenge of running the 10 kms marathon proudly donning the Team Electrosteel colors. It was held in Arles, France amidst historic monuments, 8 of which are UNESCO World Heritage Sites. Our members not only showcased their sportsmanship, but they also contributed to the rich heritage of Arles. A Euro from each participant was dedicated to supporting Les Petits Fouque association, an organization committed to raising funds for charities dedicated to disabled children. Electrosteel supports the values of community engagement and sports through its various partnerships.

### Diwali celebration at ECL

Electrosteel Group ushered in the festival of prosperity and abundance with Rangoli competitions at KW and HW to commemorate Diwali. Rangoli is a traditional Indian art form and it symbolizes prosperity, happiness, and new beginnings. We were delighted to see ECL employees and their families who adorned the floors with their intricate and mesmerizing Rangoli designs showcase their creativity through colourful designs. Electrosteel extends its heartfelt gratitude to everyone who participated and collectively made it a success. SW marked the auspicious occasion by hosting a special Diwali Puja at the factory. BW and EW team organized a heart-warming get-together that commenced with a traditional candle ignition ceremony, symbolizing the triumph of light over darkness and the spread of positivity.
