HAPPENINGS

Our call for “100% vaccination for the Electrosteel family” has met with an overwhelming response. Employees and their families lined up in numbers for their vaccination shots.

MONTHLY HIGHLIGHTS

A record at BW

Our BW achieved its highest ever coating production - 9651 mt. (The previous best was 9541 mt in Dec'19).

Moving closer to our goal

We are fast moving towards our goal of “100% vaccination for the Electrosteel family”. Till date 9000+ members of our family have got vaccinated.

CSR AND US

Covid Relief Distribution

SPL distributed groceries, health drinks and Vitamin C tablets to post Covid discharged patients, in 5 Panchayats around the Plant.

Fabrication of School Gate

EW fabricated and installed the gate for the Obasamudram Govt High School.

Oxygen Concentrators donation through CII

8 Oxygen concentrators were donated by ECL, through CII, to CMOH Hooghly.

WE, THE PEOPLE

A Centurion comes calling

Mr. Swami, who steps into his 100th year, visited our Chennai office. He had retired as a GM from ECL and spent an enjoyable morning with his ex-colleagues.

Honouring a retiree

We honoured Mr. C. Subramanyam Reddy, Senior Technician cum Operator, SPL, who retired recently after 26 years of service.

Budding Talent

Monishree Reddy, all of 10 years of age, did her parents Mr and Mrs Aravinda Reddy, proud. Her painting was published in the prestigious weekly magazine “Young World” of The Hindu newspaper.
