HAPPENINGS

- COVID awareness and preventive drives are being undertaken, both online and offline, across all our Plants.

MONTHLY HIGHLIGHTS

- Post Boxes gifted to India Post

Electrosteel and India Post – the partnership continues.

A happy update to our 25 years Postage Stamp that was released some time back. When the Chief Post Master General (CPMG), Mr. Manoj Alexander S, told for the Stamp release, he had seen our Time Capsule (which we had made in the form of a Post Box) and was very impressed by it. He requested us to make a few India Post, so that it could be displayed and used as post boxes.

Honouring his request we gifted India Post 5 Post Boxes, respectively crafted from the same Durinox steel that we used to make our world famous Pipes.

The first Post Box was inaugurated recently by the CPMG, Mr. Manoj Alexander S, at Yogayog Bhawan, as the CPMG performed a similar service, India Post has a special mention here, probably for the first time in its history. Please convey our gratitude to the Management of Electrosteel for this gesture.

Thank you, too, Sir. An honour indeed, to be part of nation building!

Picture taken to the CPMG dropping the first letter in the Post Box to you, please! It is, of course, the CPMG head of the nation for the moment, so please do the photo, etc, or respectfully. Celebrate, insure every COVID norms and encourage others to follow the same.

- Renewal of Energy Management System - ISO 50001:2018 standard (with UKAS accreditation)

CSR AND US

- Our HW handed over spraying mist machines, disinfectant mist, gloves and masks to Bhabanipur Police Station.
- Our SPL plant distributed COVID kits containing Vitamin C tablets, masks and hand sanitizers to every house in Rachagunneri village. They also donated a 20 KL cryogenic storage tank with atmospheric vaporiser to the Government General Hospital, Srikakulam.

WE, THE PEOPLE

The fight against COVID

- A series of posters were created and circulated on COVID awareness, measures and precautions to be taken.
- BW shows the way by serving food and water in disposable glasses, maintaining social distancing and sanitizing seats and tables, in its canteen.
