**LATEST @ ELECTROSTEEL**

After the lockdown, our factories are up and running at optimal levels, while we fully follow all COVID 19 guidelines.

**CSR AND US**

During the lockdown, the Electrosteel Group, as a Corporate and its employees on a personal level, worked tirelessly to serve their communities.

**WE, THE PEOPLE**

In local news, during the COVID19 Lockdown, our colleague Mr. Naveen Kumar from our Chennai Office was involved in various social service activities like distributing food, medicines and essential items like provisions, masks, sanitizers and even blood. For his invaluable service he has been awarded certificates from various foundations. Here are a couple!

On a global scale, here's how Electrosteelians all over the world spent the lockdown!
