**MONTHLY HIGHLIGHTS**

**HAPPENINGS**

- Vishwakarma Puja was observed across all plants. Here are some pictures.
- At Khardah Works, our green nursery is getting ready to bloom with flowers in the winter season.

- “No Bake Moulding Line” installed at HW. We have introduced this unique technology of making moulds for Fittings and Accessories. This will enable us to make big dia accessories, from DN 350 to DN 1200.
- Grandma Remedies e-book: We received a phenomenal 249 remedies for our e-book and the judges had a tough time in shortlisting them. Watch out for the book launch!

**CSR AND US**

- With online teaching the only way ahead for students in the backdrop of the novel coronavirus pandemic; our Haldia Plant donated a smartphone to Mr. Rabindranath Maity - a specially abled undergraduate student of Vivekanand Mission Mahavidyalaya, Chaitanyapur.
- To provide clean drinking water to the villagers, a borewell has been erected in the village, KismatShibramnagar, near our Haldia Plant.

**WE, THE PEOPLE**

- A clean and organized workplace leads to better productivity. Here are some pix of Electrosteelians practicing just that.
- Mr R K Gupta received a certificate of appreciation for his tireless work during the COVID pandemic.
