

Independent Auditor's Review Report on the Quarterly Standalone Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors,
Electrosteel Castings Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results of **Electrosteel Castings Limited** ("the Company") for the quarter ended June 30, 2020 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation'), read with SEBI Circular No. CIR/CFD/CMD1 /44/2019 dated March 29, 2019 ('the Circular').
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors in their meeting held on August 13, 2020, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133, of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the following notes of the accompanying results:
 - a) Note No. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter and the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.
 - b) Note No. 6 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken in the previous year, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

- c) Note No. 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

Impacts with respect to (a), (b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.

Based on our review conducted as stated above, we report that, *excepting the possible effect of the matters stated above*, nothing has come to our attention that causes us to believe that the accompanying statement of the Results, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards as prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material mis-statement.

5. Attention is drawn to Note No. 9 of the accompanying results in which the Company describes the continuing uncertainties arising from the COVID-19 pandemic. Our conclusion on the statement is not modified in respect to this matter.
6. Attention is also drawn to the fact that the figures for the quarter ended March 31, 2020 as reported in these financial results are the balancing figures between audited figures in respect of full financial year ended March 31, 2020 and the published year to date figures up to the third quarter of the previous financial year, which were subject to limited review by us.

Notes:

1. The above financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular dated July 5, 2016, have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on August 13, 2020. The above results have been subjected to Limited Review by the Statutory Auditors.
2. The Company operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The Company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 4259.42 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The Company barring initial contribution of Rs. 822.81 lakhs and Company's share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court at Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture Company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary.
6. Due to delisting of Electrosteel Steels Limited (ESL) and in absence of other available ways of valuation, the Company has continued to consider the exit price, which was open till December 20, 2019, as the basis of valuation of Investment in ESL. Further the notices issued by the consortium of lenders of ESL for invocation of pledge of company's investment of 17334999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs was set aside by the Hon'ble High Court at Calcutta. The plea of the company for release of the pledge is pending before the Hon'ble Court. Furthermore during the previous year the party, in whose favour rights of mortgage of certain Land & Building amounting to Rs. 29551.51 lakhs of the Company situated at Elavur, Tamilnadu, were assigned by a lender of the ESL, has taken the symbolic possession of said mortgaged property and the same was contested by the Company before Hon'ble Madras High Court. On disposal of Company's application by the Hon'ble High Court, the Company has preferred an appeal before Commercial Appellate, Hon'ble High Court at Madras and the matter is subjudice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7. As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Calcutta. Pending arbitration proceedings, the company has recognised a charge of Rs. 2318.35 lakhs during the previous year and a balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the management of the company and shown as "Other Financial Assets" under the "Current Assets".
8. As a consequence of cyclone "Amphan", the Haldia unit of the company has suffered damages in certain items of its inventories and Fixed Assets during the quarter. The company has lodged necessary claim with the Insurance Company for the losses incurred. The estimated loss in the inventory, after considering its realisable value, and the estimated cost of repairs for the reinstatement of the fixed assets has been expensed during the quarter. The claim lodged with the insurer amounting to Rs. 567.87 lakhs shall be accounted for on acceptance of the same on prudence.
9. The Company's operations and financial results for the quarter ended June 30, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government of India due to which the operations were suspended for part of the quarter and gradually resumed with requisite precautions. Although the company has incurred losses in the current quarter, it has the sufficient liquidity to meet its future liabilities & obligations and also does not expect any impact on the recoverability of carrying value of the assets as on June 30, 2020. Considering the uncertainties involved in view of continuance of the pandemic, the future impact of the pandemic on these financial statements is dependent on the future development. In view of the impact of pandemic, the results for the quarter are, therefore, not comparable with those for the previous quarters.
10. The figures for the quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the full financial year ended March 31, 2020 and the published year to date figure upto December 31, 2019.
11. Previous periods' figures have been regrouped/rearranged wherever necessary.

Notes:

1. The above consolidated financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), have been reviewed by the the Audit Committee and approved by the Board of Directors at their meeting held on August 13, 2020. The consolidated results for the quarter ended June 20, 2020 have been subjected to Limited Review by the Statutory Auditors of the group.
2. The group operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The parent Company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the parent Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 4259.42 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the parent Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the parent Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the parent Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the parent Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the parent Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The parent Company has approached the newly appointed Nominated Authority/Ministry of Coal to reconsider the compensation determined by the Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities. Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the parent Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The parent Company barring initial contribution of Rs. 822.81 lakhs and its share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court at Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary. In view of the provision made during the earlier years, the performance of the joint venture company has not been consolidated during the quarter ended June 20.
6. Due to delisting of Electrosteel Steels Limited (ESL) and in absence of other available ways of valuation, the parent Company has continued to consider the exit price, which was open till December 20, 2019, as the basis of valuation of Investment in ESL. Further the notices issued by the consortium of lenders of ESL for invocation of pledge of group's investment of 17334999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs was set aside by the Hon'ble High Court at Calcutta. The plea of the parent Company for release of the pledge is pending before the Hon'ble Court. Furthermore during the previous year the party, in whose favour rights of mortgage of certain Land & Building amounting to Rs. 29551.51 lakhs of the parent Company situated at Elavur, Tamilnadu, were assigned by a lender of the ESL, has taken the symbolic possession of said mortgaged property and the same was contested by the parent Company before Hon'ble Madras High Court. On disposal of parent Company's application by the Hon'ble High Court, the parent Company has preferred an appeal before Commercial Appellate, Hon'ble High Court at Madras and the matter is subjudice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7. As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The parent Company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Calcutta. Pending arbitration proceedings, the parent Company has recognised a charge of Rs. 2318.35 lakhs during the previous year and a balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the management of the parent Company and shown as "Other Financial Assets" under the "Current Assets".
8. The parent Company has investment of Rs. 730.00 lakhs (including advance of Rs. 700.00 lakhs) in Domco Private Limited (DPL), and has joint control (proportion of ownership interest of the parent Company being 50%). The other Venturers had filed a petition before the Company Law Board, Principal Bench, New Delhi (CLB) on various matters including for forfeiture of the parent Company's investment in equity shares of the DPL. The parent Company had also inter alia filed an arbitration proceeding under Arbitration & Conciliation Act, 1996 against recovery of the said amount against which the ventures also filed their counter claims on the parent Company. The matter is sub judice before the NCLT. Pending final outcome of the above matter, the amounts in equity shares and advance have been fully provided for in the financial statements. The other venturers since not providing the financial statements of DPL, and thereby necessary disclosures could not be provided in these financial results.
9. As a consequence of cyclone "Amphan", the Haldia unit of the group has suffered damages in certain items of its inventories and Fixed Assets during the quarter. The parent Company has lodged necessary claim with the Insurance Company for the losses incurred. The estimated loss in the inventory, after considering its realisable value, and the estimated cost of repairs for the reinstatement of the fixed assets has been expensed during the quarter. The claim lodged with the insurer amounting to Rs. 567.87 lakhs shall be accounted for on acceptance of the same on prudence.
10. The group's operations and financial results for the quarter ended June 30, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by various governments where subsidiaries are based including India due to which the operations were suspended for part of the quarter and gradually resumed with requisite precautions. Although the group has incurred losses in the current quarter, it has the sufficient liquidity to meet its future liabilities and obligations and also does not expect any impact on the recoverability of carrying value of the assets as on June 30, 2020. Considering the uncertainties involved in view of continuance of the pandemic, the future impact of the pandemic on these consolidated financial statements is dependent on the future development. In view of the impact of pandemic, the results for the quarter are, therefore, not comparable with those for the previous quarters.
11. The consolidated figures for the quarter ended March 31, 2020 is the balancing figures between the audited figures in respect of the full financial year ended March 31, 2020 and the published year to date figure upto December 31, 2019.
12. Previous periods' figures have been regrouped/rearranged wherever necessary.
